# UMWELT ZERTIFIKAT

## Environmental certificate

This certificate confirms the considerable CO2 savings achieved with the support of wirkaufenihrenabfall.de GmbH & Co. KG

## Krone Filtertechnik GmbH

The above-mentioned company has contributed to the following environmental improvements:

- Reduction of CO2 emissions in the disposal of recyclable materials
- Production of finished secondary raw materials and feeding into the circular economy
- Volume reduction of the waste of up to 95
- Only 10% of the previously required truck transports
- Reduced deforestation
- Greater work efficiency thanks to less effort in shredding the material
- Improved internal logistics through shorter routes
